

Dear JCDS Parents and Students,

As we work to create a streamlined electronic version of our Summer Learning program for JCDS, you will notice these consistencies.

1. At the top of each page, you will see:

Summer Learning 2020

Students Entering Grade \_\_\_\_\_

Please make sure that you are referencing the correct grade level that your child will be entering this coming August.

Since everything is located in one place, we don't want anyone to get confused!

2. The Subject Areas included in this .pdf document are:

- Reading Requirements and Suggestions
- Reading Log
- Writing
- Mathematics *\*any hard copies will be picked up during End Of Year Supply Pick-Up or pulled from the workbook that is already at your home.*

3. Requirements:

Since it was not possible to create hardcopy packets for everything this year, we will remain flexible in HOW the children show that they have learned. If they would like to use folders with pockets or marble composition notebooks or binders or simply papers stapled together, they are welcome to do so. We support your family's decisions in this arena!

4. Video Tutorials:

We have attached a short video tutorial for each grade level to simply walk your child through the requirements of their grade level. This feature may help children to gain independence as they have heard Mrs. Currie explain something and they won't have to try to read a complex document.

5. Summer Learning and Remote Learning Celebration:

This upcoming school year on the first Friday of school we will have a celebration in honor of all of the hard work from both Summer and Remote Learning. We cannot wait to see each and every child on campus. We love them and miss them!

Have an amazing summer and please let us know if there is anything that we can clarify or assist with during June and July!

Love,

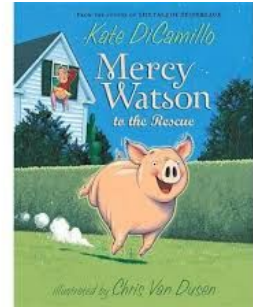

***Your JCDS Teachers***

### Red Words

Dear Parents,

Below you will find a list of the red words (sight words) that your child was taught in first grade this year. Students are expected to know how to read and spell these words when entering second grade. Please continue to work on these words over the summer to help your child master them. Thank You!

Some ideas for red word practice include, but are not limited to:

- Typing or writing (in isolation or in sentences)
- Arm tapping
- Writing with chalk, marker, paint
- Flashcards, BINGO, Tic-Tac-Toe
- Word search, word scramble
- Spelling with movement (dribbling, kicking, cheering, dancing, etc.)
- Make a memory game
- Find the words in a magazine, newspaper, book
- Make the words with Play-doh or Wiki Sticks

Red Words:

### Writing

This summer, students will create any type of journal that they would like. See the video tutorial for ideas! Whether it is a classical marble notebook, a folder with their entries in the pockets, or even a collection of their writings simply stapled together.

Students will complete at least **3 journal entries**. Each entry will have a minimum of five sentences.

#### Journal Suggestions:

- On my birthday...
- What is your favorite time of day?
- The biggest thing I ever saw...
- If toys could talk, what would they say?
- I am proud of myself because...
- Tell me about one thing you do really well.
- I'm happy when...
- My adventure would be...
- If I had three wishes, they would be...
- I am afraid when...
- What do I want to be when I grow up?
- When it rains, I like to...
- My favorite food is...
- My favorite toy is...
- If I could have a different name, it would be...
- If I were invisible...
- If animals could talk...
- My favorite place in the whole wide world is...
- When I'm sad...
- Describe the best day ever!

Happy Writing!
