

## Summer Learning 2018 Entering Grade 2

Summer Learning activities provide students with opportunities to practice the skills they acquired this year so that they enter the new school year ready to learn. This summer, students entering Grade 2 will be expected to complete required summer reading, writing, and math activities. Students may also complete optional technology activities. Details and additional information are attached.

### **Reading:**

Students will read *Mercy Watson to the Rescue* by Kate DiCamillo. In addition, each student will read from sources of their choosing in order to reach their individual reading goal.

### **Writing:**

Students will complete at least 3 journal entries. Each entry will have a minimum of 5 sentences.

### **Math:**

Each student will receive a summer learning math packet to complete. These pages contain problems based on concepts we have learned this year.

Please complete all reading, writing, and math activities and turn them in to your new teacher by August 16.

---

### **My Reading Goal**

I \_\_\_\_\_ will read the following number of pages this summer: \_\_\_\_\_  
(student name)

I understand that I must meet or exceed my reading goal and complete my math and journal activities by August 16 in order to participate in the *Summer Learning Celebration Activity* on August 17.

Student signature: \_\_\_\_\_ Teacher signature: \_\_\_\_\_

Parent signature: \_\_\_\_\_

Parents, please sign and return this form to your child's teacher by 5/10/18. This contract will be returned to you and your student in your student's Summer Learning folder on 5/17/18.
