

Summer Learning 2018 Entering Grade 3

Writing

This summer, students will bring home the journals in which they have written at school.

Students will complete at least 3 journal entries. Each entry will be a minimum of 10 sentences, will begin with a hook, and will end with a wrap around ending. All entries will be written in cursive.

Journal suggestions:

- A book you enjoyed reading and tell why you would recommend it to others
- Your summer vacation, where did you go, what exciting things did you do
- Adventures with your pet
- Your favorites: animal, food, place to visit, book, subject, color, amusement park
- Places you would like to visit
- Your family
- What you would like to be when you grow up
- Make up a story
